

International badminton festival

ALL it federball or badminton - players from Germany, Switzerland and Dronfield had a great time at this year's annual town twinning tournament.

Action took place at Dronfield Sports Centre with players from Dronfield's twin town Sindelfingen, in Germany, as well as competitors from Schaffhausen, Sindelfingen's twin town in Switzerland.

Teams were made up of players of mixed ability, gender and nationality to encourage friendship and enjoyment. The event was

- declared officially open by Mayor of Dronfield, Coun Liz Blanshard.
- In addition to the tournament and presentation dinner, competitors and their families headed to an adventure park for more fun. A small group also visited Chesterfield's Crooked Spire.
- Organisers said the success of the event was made possible thanks to the support of North East Derbyshire District Council, local trades people and businesses, and the warm welcome given by local families who acted as hosts.
- Next year's tournament will be held in Sindelfingen.
